PREPARE TO LEAD

As the impacts from the global pandemic and demands for societal change challenge the local and global economy, government leaders have never faced a more challenging environment. In response, the Southwest Leadership Program has been redesigned with your needs in mind. The new Government Leadership Excellence program provides a rich learning opportunity to help you discover how to lead through these complex issues.

Attendees will engage with other talented government and nonprofit leaders that foster interaction and application. Join us as we explore the leader within, leading effective decision-making and more. Each module will include collaborative learning activities with your peers that can equip you to lead with excellence.
